

# AI Agent Architecture Dev for Care Management Firm

## PROJECT DETAILS

 AI Agents, Custom Software Development, AI Development

 Jan. 2026 - Mar. 2026

 Confidential

 *"They also had the ability to work autonomously with minimal instruction."*

## PROJECT SUMMARY

Vindler Solutions developed the first iteration of a care management company's agent architecture.

## PROJECT FEEDBACK

Vindler Solutions demonstrated extensive AI expertise, practical implementations, a strong product mindset, and a genuine interest in the project's success. The team adhered to deadlines and communicated well via online meetings. Their dependability and ability to work autonomously stood out.

## The Client

Introduce your business and what you do there.

I'm the CEO of Everyday Care, an IT company that builds home-based care managers for older adults.

## The Challenge

What specific goals or objectives did you hire Vindler Solutions to accomplish for your home-based care manager platform?

I hired Vindler Solutions to create the first iteration of our agent architecture.

### CLIENT RATING

**5.0**

Overall Score

Quality: 5.0

Schedule: 5.0

Cost: 5.0

Would Refer: 5.0

## The Approach

### What was the scope of their involvement?

Vindler Solutions assisted us in building the first version of our agent architecture.

### What is the team composition?

We worked with one teammate from Vindler Solutions.

### How did you come to work with Vindler Solutions?

Vindler Solutions was referred to me, and I chose them because of their high ratings.

### How much have you invested with them?

The project cost is confidential.

### What is the status of this engagement?

We worked together from January 2026–March 2026.

## The Outcome

### What evidence can you share that demonstrates the impact of the engagement?

Vindler Solutions had strong expertise in AI and practical implementations. They also had a strong product mindset; they cared about the outcome, not just the code.

### How did Vindler Solutions perform from a project management standpoint?

Vindler Solutions delivered on time and communicated well if anything was at risk. We primarily communicated via virtual meetings.

## What did you find most impressive about them?

Vindler Solutions' dependability was impressive. They also had the ability to work autonomously with minimal instruction.

## Are there any areas they could improve?

I can't think of anything for Vindler Solutions to improve.
